## Have You An Account?

This is a serious question, one at which some folks take offense, yet salesmen are under the necessity of asking it. Some folks deal near home, settle infrequently, never investigate to see whether they pay more than they should and too often allow their accounts to go long over due. If you don't care what the family expenses are it's a poor way to do if you want to leave your children in affluent circumstances when you are gone. Now it is quite an advantage to have an open account at a well-known house, who can execute your order promptly. Often persons say they don't want an account and will pay in a few days. But we cannot keep memoranda of charges; it isn't safe or good business. The stock found in ordinary stores is usually stale, uninviting and inferior, while the stock in our store is turned so frequently and so carefully watched that it is at all times fresh. Our stock in trade consists of the luxuries and delicacies from every civilized nation. Send for our catalogue and prices and note the variety offered. Telephone us—240. We supply all nationalities.

## Sarsaparilla Sense.

Any sarsaparilla is sarsaparilla. True. So any tea is tea. So any flour is flour. But grades differ. You want the best. It's so with sarsaparilla. There are grades. You want the best. If you understood sarsaparilla as well as you do tea and flour it would be easy to determine. But you don't. How should you?

When you are going to buy a commodity whose value you don't know, you pick out an old established house to trade with, and trust their experience and reputation. Do so when buying sarsaparilla.

Ayer's Sarsaparilla has been on the market fifty years. Your grandfather used Ayer's. It is a reputable medicine. There are many sarsaparillas. But only one Ayer's. IT CURES.
